Information for Colorado Prescribers of Prescription Drugs

Erbitux® (cetuximab injection)

- Lilly USA LLC's Wholesale Acquisition Cost (WAC) is the listed price to the distribution channel not including prompt pay, service or administrative fees, stocking or distribution allowances, or any discounts, rebates, or chargebacks provided by Lilly USA to any entity.

- The products listed below represent the first generic products to market from the same therapeutic class as the Marketed Product (as determined by the USC therapeutic classification).[1,2] This list is limited to three products and is not necessarily inclusive of all generic alternatives available.

- This list of generic products below does not imply that the products are interchangeable or have the same efficacy or safety as the Marketed Product. Please refer to each product's FDA-approved label and indication for further information.

Marketed Product:
