

Information for Connecticut Prescribers of Prescription Drugs

Zepbound® (tirzepatide) injection

- Connecticut Public Act No. 23-171 requires “pharmaceutical representatives” (as defined in the Act) provide certain information to prescribers and pharmacists. The information in this disclosure is being provided pursuant to this Act.
- Lilly USA LLC's Wholesale Acquisition Cost (WAC) is the listed price to the distribution channel not including prompt pay, service or administrative fees, stocking or distribution allowances, or any discounts, rebates, or chargebacks provided by Lilly USA to any entity.
- Lilly USA LLC's direct to patient price is the price at which Lilly sells the product directly to patients. The direct to patient price is not the WAC, as the product is only available for purchase by cash paying patients.
